

# Julie Sarka

Owner of Nurse Legal Consulting Services LLC

A certified legal nurse consultant (CLNC), Julie Sarka has worked in pain management and enhanced external counterpulsation clinics. She currently owns and operates Nurse Legal Consulting Services, LLC, a firm based in Seminole, Florida. Julie Sarka has extensive experience, having practiced as a registered nurse on postpartum, oncology, neurology, medical/surgical, cardiac, rehabilitation, and orthopedic units. Julie uses her twenty years of medical experience and extensive knowledge to assist attorneys with reviewing and building their medical cases.

## EDUCATION

University of Phoenix  
MBA

2010 TO 2012

Business Administration

## EXPERIENCE

Nurse Legal Consulting Services LLC  
Owner

2013 TO PRESENT

**Job Description**To operate a (CLNC) Certified Legal Nurse Consulting practice you have to have a minimum of a (RN) Registered Nursing degree and take a 40 hour legal consulting class and then pass the course test. I have been a nurse for twenty years. To become a CLNC you must have your RN license for two years, but each institution may vary on their requirements. I work with attorneys (personal injury, medical malpractice, family law, and

tort attorneys). These attorneys provide ,legal services for clients that have cases against doctors, hospitals, clinics, medication companies, family issues that need medical advice for placement of elderly, adults and children physical and mental issues related to medical history and future needs.
