

Dr. Robert Kast

OBGYN Practitioner in Boca Raton, Florida

Address: Boca Raton, FL, US
Website: <http://www.drrobertkast.com/>
Email: info@DrRobertKast.com

For more than four decades, Dr. Robert Kast has served patients and the larger medical community as a board-certified obstetrician/gynecologist and medical consultant. An expert in stem cells and stem-cell therapy, he previously led as the director of medical alliances for Stem Cell Assurance, a company that uses stem cells to derive ground breaking, clinical-grade skincare products. Dr. Robert Kast has also assisted local and state agencies as an appointed expert witness and OBGYN consultant for the Department of Health Division of Professional Regulation.

Since 1985, Dr. Robert Kast has led his own practice in Boca Raton, Florida, where he offers care and medical guidance for gynecological, obstetric, anti-aging, and preventive health issues. In his work with patients, he draws upon an award-winning background that includes honors from the Florida Board of Medicine and the Florida State Legislature. He has also received peer recognition for his research and practice efforts.

An active member of the field, Dr. Robert Kast belongs to professional groups and organizations such as the American College of Obstetrics and Gynecology, the American Institute of Ultrasound in Medicine, and the Gynecological Laser Society. He also stands out as a published author and researcher who has written numerous articles and book reviews on topics such as anti-aging and stem-cell therapy.
