

Aubrey Gladstone

Professional Pilot and Business Leader

Address: Boca Raton, FL, US
Website: <http://www.aubreygladstone.com/>
Email: info@aubreygladstone.com

Aubrey Gladstone has worked as a professional pilot with National Jet Corp. for nearly four decades. As a commercial pilot he maintains both his commercial, jet and helicopter ratings. He has experience with a variety of aircraft, including the Bell Jet Ranger, Piper Cheyenne, and the Cessna 421, 310, and 303 models. He also maintains membership with professional organizations such as the National Business Aircraft Association and the Aircraft Owners and Pilots Association. In addition to his work as a pilot, Aubrey Gladstone heads operations at Gladstone Consulting, Inc., in Boca Raton, Florida, as president and chief executive officer.

After focusing on mathematics and science at Shady Side Academy, Mr. Gladstone majored in Industrial Engineering at Lehigh University in Bethlehem, Pennsylvania. During his time college, he established a pilot training program and served as class president. He later achieved a Master of Business Administration at the University of Pittsburgh. While pursuing his graduate degree, Aubrey Gladstone became a member of the Beta Gamma Sigma high honors society.
