## *New York City Financial Professional Louis Gregory Rice*

A New York financial professional for more than 25 years, according to public filings, Louis Gregory Rice presently works with Kellner Capital, LLC. A portfolio manager with the alternative asset management firm since 2013, Rice manages a portion of investment vehicles such as the Kellner Catalyst Fund, LP, and the 40 Act alternative mutual fund Kellner Long/Short Fund. When finding new investment candidates, he researches potential across myriad industries and investigates operational details such as the supply chain and management teams. Before accepting his current role, Louis Gregory Rice held executive positions with Lazard Frères & Co., LLC, and Knott Partners.

In addition to his professional accomplishments, recent articles have highlighted that Louis Gregory Rice is also active in his community. He chaired the Christ Church Day School annual fund and also served as class co-captain for The Buckley School's annual fund. Additionally, Rice began a program at Lazard Freres & Co. that partnered with Harlem Children Zone to provide internships to two students annually.
