Ryoji Ogi has become a Board Member at Sumitomo Osaka Cement – one of his greatest career aspirations. As a Board Member, Ryoji helps the company to make important executive decisions and to plan business strategies for the future. Ryoji Ogi is also a Managing Executive Officer at the cement company.

EXPERIENCE

Sumitomo Osaka Cement

Managing Executive Officer

Ryoji has already accomplished a great deal in his life, but he still plans to do more! As a Managing Executive Officer for Sumitomo Osaka Cement in Japan, Ryoji Ogi has participated in a great deal of research. He takes pride in his role at the company and in the research and studies he's done in the industry. Ryoji plans to continue working in research, and hopes to make a real difference in the cement industry by the time he retires – if he ever retires.

Ryoji Ogi is very happy where he is in his career. As a Board Member of Sumitomo Osaka Cement, Ryoji is proud of his accomplishments as a professional. He has been a part of major projects and improvements within the company as the Director of GFA. He is proud of being part of a company that is progressive and forward-thinking. Recently, Sumitomo conducted gender-free promotions within the company.
