## The Career of Phil Melugin

With more than 20 years of experience in the health care industry, [Phil Melugin](#) is the co-owner and president of Phoenix Home Care. Headquartered in Springfield, Missouri, the company enables clients in three states to retain their independence while receiving the medical care they need. Phil Melugin manages a team of home health care professionals who aid with personal grooming, letter writing, light housekeeping, meal preparations, and other daily tasks. Phoenix Home Care also provides 24-hour private duty nurses for adults and children with special needs.

To prepare for his career, Phil Melugin obtained a master of education in counseling from Wichita State University. After graduation, he joined Conservco and Intracor as a counselor for individuals injured on their jobs. He later moved into the health care industry as vice president of marketing for Oxford Health Care. After five years with the organization, Phil Melugin joined Integrity Home Care as president and co-owner. Responsible for thousands of employees and clients, he developed the skills in health care administration and management that enabled him to eventually found Phoenix Home Care.
