

Amita Vadlamudi

Computer Systems Analyst

Address: Jeersey City, NJ

Website: <https://www.linkedin.com/in/amitavadlamudi>

Email: info@amitavadlamudi.com

Since receiving her BS in computer science from Saint Peter's College in New Jersey, Amita Vadlamudi has worked as a computer systems analyst and engineer. In her role as an engineer, Amita Vadlamudi has used her knowledge of mainframe systems, peripherals, and languages to support and maintain operating systems and network recovery files.

Ms. Vadlamudi is well-versed in UNIX system technology as well as in the installation and maintenance of such peripherals as Perl, TeamQuest, IPFC, and CST. She also possesses experience in providing SAN boot support and connectivity. Her familiarity with recovery software has enabled her to play an instrumental role in assisting her company in backup and recovery support. She has used her skills to develop scripts for File Transfer Protocol infrastructures as well.

Outside of work, Amita Vadlamudi volunteers her time at a library located in her community. She also enjoys reading and engaging in various outdoor activities during her leisure time.
