

Dr. Daniel Batlan

Gives Back to His Local Community

Address: Las Vegas, NV, US
Website: <http://about.me/dranielbatlan>
Email: info@drdanielbatlan.com

The Medical Director and Founder of Specialized Pain Management in Las Vegas, Nevada, Dr. Daniel Batlan offers patients pain relief options with the primary goal of restoring function and patient's well-being. Diagnostic methods used include the use of MRIs, CT scans, and thermography, and Dr. Daniel Batlan performs interventional procedures such as epidurals for pain management at his outpatient centers.

Dr. Daniel Batlan is a graduate of the University of Pennsylvania, where he majored in Biology. He then matriculated at The Loyola University of Chicago School of Medicine, where he earned his MD degree. He completed his first residency at the Johns Hopkins Hospital, where he focused on anesthesiology.

Outside of his professional life, Daniel Batlan, MD is involved in giving back to his community. He sponsors and has contributed many thousands of dollars to The Make A Wish Foundation and the Three Square Nevada Food Bank.
