Address: Located in Terminal A of Newark Liberty International Airport (EWR), the Alaska Airlines Newark office offers a variety of services to travelers, including as ticketing, baggage help, check-in, and customer support. The Alaska Airlines Newark Office is manned by agents who are prepared to help, whether you need assistance with seat upgrades, rebooking, or dealing with travel interruptions. Special requests like wheelchair assistance and lost baggage inquiries are also supported. In accordance with airline schedules, the office is open throughout airport hours, usually from early morning till sunset. Passengers can also get in touch with Alaska Airlines' general customer service for more assistance.
