

Eric Tetler

New Hampshire Business Executive Active in His Community

Eric Tetler serves as president of Windfield Alloy in Atkinson, New Hampshire, which delivers a high standard of asset recovery and recycling solutions related to discarded electronics, manufacturing scrap, and other ferrous and non-ferrous materials. Under Eric Tetler's leadership, Windfield Alloy has expanded from six employees in its early years to more than 50 employees today. In fact, the company has grown large enough that he delegates daily management responsibilities to his executive team so that he can focus on the overall growth and development of the business. For more information about Mr. Tetler and Windfield Alloy, prospective clients can log on to the company's website at www.windfieldalloy.com.

When not attending to his professional responsibilities, Eric Tetler gives back to his community by contributing to organizations like the Boys and Girls Clubs of America. Also supporter of Init Soccer Academy, he enjoys coaching and playing soccer, as well as staying active through such outdoor activities as bicycling and boating
