

Vincent Ivers

Florida Physician and Medical Missionary

Address: Panama City, FL, US
Website: <http://www.iversmd.com/>
Email: info@vincentivers.com

A distinguished physician in Panama City, Florida (FL), Dr. Vincent Ivers has received honors such as the Patient's Choice Award and Compassionate Doctor Recognition each year for almost a decade, as well as being included on the list of the Top 10 Doctors in Florida. Since 2005, Dr. Vincent Ivers has provided minimally-invasive cosmetic surgery through the Medical Cosmetic Center in Panama City, FL. He also continues to serve as an emergency room physician with the Southland Emergency Group.

Dr. Vincent Ivers completed his residency in internal medicine at Hahnemann University with a focus on dermatology and emergency room medicine. He has a medical degree from the University of Central America, where he also earned his bachelor's degree in biochemistry summa cum laude.

Throughout his career, Dr. Vincent Ivers has gone on yearly volunteer medical missions in areas such as Brazil, Costa Rica, and Panama. His professional memberships include the American Medical Association, the Medical Society of Panama, and the Brazilian Medical Association. He also contributes to charitable groups such as Catholic Relief Services.
