Todd Gerleman of Gman Marketing Helps Clients Increase Sales Revenues

As the owner of Gman Marketing Services, an Internet marketing company he founded in 2013, Todd Gerleman generates sales leads that assist clients in increasing sales revenues and teaches clients to do the same. Todd Gerleman also advises clients on sales techniques, how to engage customers, and the best way to contact potential customers.

Mr. Gerleman received a Business Administration diploma in 1983 and earned a Bachelor of Arts in Broadcast Journalism from the University of Northern Iowa in 1988. After graduation, he worked in television for 10 years as a sportscaster for three Iowa stations. This experience allowed him to sharpen his communication and public speaking skills.

To give back to society, Mr. Gerleman donates plasma and blood in hopes that his actions may save someone's life. He spends his free time running, traveling, and reading self-improvement books that relate to his work.
