

Juana Reina

Experienced Higher Education Administrator in New York

Address: New York, NY, US

Website: <https://www.linkedin.com/in/juana-reina-20813b16>

Email: info@juanareina.com

A leader in education administration, Juana Reina has nearly 30 years serving in student affairs administration. Her experience includes a tenure as vice president and dean in the Division of Student Development and Support Services at Westchester Community College in Valhalla, New York. In this role, Juana Reina was directly responsible for a \$6 million budget and 100 staff members, including 29 faculty. She also served on the Steering Committee for the Middle States Commission on Higher Education's Periodic Review Report.

Prior to joining Westchester Community College, Ms. Reina held the position of dean of the Division of Student Development at the Middlesex Community College in New Jersey. Her experience in higher education administration also includes a position as associate vice provost for the Division of University Life at the University of Pennsylvania.

Juana Reina holds a master's in student personnel services from The College of New Jersey and is pursuing doctoral work in higher education administration from Northeastern University in Boston.
