

Steve Guistwite

Executive in Information Technology

Stephen (Steve) Guistwite leverages more than 15 years of experience in the IT industry to serve as the president of Highpoint Technology Group, located in Houston, Texas. In this capacity, he oversees the development and delivery of business operation improvement services to clients throughout the country. Additionally, Steve Guistwite leads efforts to generate partnerships in new markets with needs for IT outsourcing and cloud capabilities.

Email: stevetisiutweg97236@mail.com

He previously held the COO positions at Zebec Data Systems (ZDS) and StratITsphere, where he managed the company's network infrastructure and data center for supporting high-growth customer portfolios. As COO, Stephen Guistwite concentrated on simultaneously decreasing costs and increasing product efficiency. At ZDS, he negotiated vendor agreements, set price points, and upheld responsibility for profit and loss activity. He also contributed as a member of the Executive Leadership Team.

In preparation for his career, Steve Guistwite completed a bachelor's degree in management information systems at Capella University.
