

Joseph Ciringione

Engineering Sales Leader

Address: East Providence, RI, US

Website: <https://josephciringione.wordpress.com/>

Email: info@josephciringione.com

Joseph Ciringione has spent more than 15 years as the North American sales and product manager with Igus, Inc., in East Providence, Rhode Island. Joseph Ciringione joined Igus as a technical sales representative in 1995 before holding positions such as New England regional sales manager and district sales manager for the Eastern United States and Canada.

An experienced sales professional in the engineering industry, Joseph Ciringione stays apprised of industry trends and developments by frequenting trade shows and conferences, including Robotics Industry Association events. Joe also regularly attends events held by International Manufacturing Technology Show (IMTS), a globally-recognized trade show that attracts more than 2,000 exhibiting companies.

Joe Ciringione studied business and law enforcement as an undergraduate in Warwick, Rhode Island. Beyond his sales and production responsibilities at Igus, he enjoys leading a physically active lifestyle. His interests include cycling, playing golf and basketball, and boating, though he also spends time working on cars and motorcycles.
