An accomplished physician in Rockville, Maryland, Dr. Anthony Roberts offers comprehensive eye care at Shady Grove Ophthalmology. Utilizing the latest technologies available in the industry, his practice specializes in PRK surgery, LASIK surgery, cataract surgery, glaucoma treatment, and more. Since establishing his eye care practice in 1996, Dr. Anthony Roberts has performed more than 55,000 LASIK and other refractive procedures. He continues to uphold the highest standards of professionalism and patient care.

Dr. Anthony Roberts is a certified VISX Laser Surgeon and holds active memberships with professional organizations including the American Academy of Ophthalmology and the American Society of Cataract and Refractive Surgery. His academic history includes earning a bachelor's degree at Howard University and a doctor of medicine at the University of Maryland School of Medicine. After serving a pathology fellowship at the Armed Forces Institute of Pathology, he completed specialty training in ophthalmology through the Harvard Lancaster program and at SUNY Stony Brook/Nassau County Medical Center.
