

# Aaron Koniak

## California Recruiting Professional

Health care recruiting professional Aaron Koniak first entered the industry as a pharmaceutical sales representative at Warner Chilcott in California. There, he achieved high sales rankings and won the President's Club Contest. Aaron Koniak continued his work in pharmaceutical sales with another California company, Meda Pharmaceuticals, representing products for allergies, epilepsy, pain management, and other issues.

In 2010, Aaron Koniak joined SynergEyes, Inc., as regional account manager for Santa Barbara, Los Angeles, and Ventura Counties in California. In this position, he assisted with the introduction of new contact lens products, such as the Duette lens for those with astigmatism, and oversaw staff training. Today, he works as a senior health care recruiter with Specialty Healthcare Recruiting, where he provides professional recruiting services for health care institutions ranging from addiction treatment facilities to hospices.

In his leisure time, Aaron Koniak enjoys hiking, reading nonfiction, traveling, and spending time with his family. He supports charitable organizations such as PETA, the American Red Cross, and Pet Orphans of Southern California.
