- Compassionate daycare worker with 4+ years nurturing children ages 6 months to 5 years in licensed childcare facilities
- Experienced in implementing developmentally appropriate activities and maintaining safe, engaging environments for groups of 20+ children
- Proven track record of building strong partnerships with parents through daily communication and collaborative approach to child development

WORK EXPERIENCE

March 2022 -
Present

Rainbow Kids Learning Center, Denver, CO

Lead Daycare Teacher

- Supervised and engaged 18 preschoolers daily (ages 3-5), maintaining 100% safety record over 2+ years
- Developed and implemented weekly STEAM activities that improved fine motor skills for 90% of children as documented in quarterly assessments
- Partnered with parents through daily communication logs and monthly conferences, strengthening home-school connection for 25+ families
- Mentored 3 new assistant teachers in classroom management techniques and state licensing compliance procedures
- Coordinated seasonal family events including fall harvest festival attended by 150+ family members

June 2020 -
February 2022

Little Sprouts Childcare, Denver, CO

Assistant Daycare Teacher

- Provided direct care for 12 toddlers (ages 18 months - 3 years) including diaper changing, meal assistance, and nap supervision
- Implemented sensory play activities that supported language development, resulting in 85% of children meeting age-appropriate vocabulary milestones
- Maintained detailed daily reports for parents documenting eating, sleeping, and developmental progress for each child
- Assisted lead teacher with potty training program achieving 95% success rate within 6-month timeframe

September 2019
- May 2020

Tender Hearts Daycare, Aurora, CO

Infant Room Caregiver

- Provided specialized care for 8 infants (ages 6 weeks - 18 months) including bottle feeding, sleep schedule management, and developmental milestone tracking
- Established consistent feeding and nap routines that improved infant comfort and reduced crying episodes by 40%
- Collaborated with parents to maintain home feeding schedules and introduced solid foods following pediatrician guidelines
- Documented daily activities and developmental observations using center's digital tracking system
