

Jill Marten

Human Resources Executive Jill Marten

A longtime Miami area health care executive, Jill Marten is Baptist Health South Florida's corporate director of human resources (HR). In this position, she guides the development and implementation of HR practices and policies spanning numerous facilities. Jill Marten has also provided foundational support in the creation of new business-related programs designed to contain costs and ensure the highest quality of care on a nationwide basis.

From 2004 to 2011, Ms. Marten served as assistant vice president of medical human resources with the University of Miami Miller School of Medicine-UHealth System. She provided support to diverse hospital systems and ensured that core customer service and strategic milestones were met. As part of a multidisciplinary team, Ms. Marten spearheaded expansion into new service lines and the acquisition of hospitals and physician practices.

Jill Marten next joined Hospital Corporation of America and held responsibilities with the firm as vice president of human resources. Her accomplishments included reorienting HR culture toward higher levels of customer service and redefining employee retention and recruiting practices.
