

Yasemin Dalgali

Augmenix Director

Address: Bedford, MA, US
Website: <http://www.yasemindalgali.org/>
Email: info@yasemindalgali.com

An accomplished senior executive with a wealth of experience in the medical device industry, Yasemin Dalgali holds a master of science in clinical mental health counseling from Nova Southeastern University in Florida and a master of business administration from Rutgers University in New Jersey. Over the course of her 18-year career, Yasemin Dalgali served in financial-services positions with organizations such as Johnson & Johnson and United Healthcare.

Ms. Dalgali has served as a director of Augmenix, Inc., since 2015. Her responsibilities with this medical device company, located in Bedford, Massachusetts, revolve around the development and implementation of general reimbursement strategies. This position requires her to travel widely domestically and around the world.

In addition, Yasemin Dalgali has held membership in organizations that range from the healthcare intervention evaluation entity called the International Society for Pharmacoeconomics and Outcomes Research to the nonprofit educational and scientific organization known as the World Future Society.
