

Eric Greenfield

Bespoke New York Accounting and Bookkeeping Services

Address: New York, NY, US
Website: <http://www.eric-greenfield.com/>
Email: info@ericgreenfield.com

Eric Greenfield is a New York City based entrepreneur who guides Bookkeeping Manhattan and provides bespoke services geared to the specific needs of small and medium-sized companies. Passionate about his work, Eric Greenfield strives to maintain long term relationships with clients that range from sole proprietors to businesses with several employees.

Mr. Greenfield's competitive services include the management of large payroll accounts and he has engaged closely with CPAs in ensuring that year-end reporting and audits are properly completed. A certified QuickBooks ProAdvisor, he regularly attends seminars and continuing education that keeps him at the leading edge of the bookkeeping field.

Mr. Greenfield's background includes three years as the assistant to CFO and working as the liaison between customers and employees. Eric Greenfield has also engaged with an apartment housing management firm as chief financial officer and implemented automation processes that saved the firm significant time and money.
