

Oleg Aronov

Health Industry Business Executive Oleg Aronov

Oleg Aronov, a New York City business professional, has nearly 10 years of experience in business management. An entrepreneur, he oversees both MEDEX Diagnostic and Treatment Center, LLC, as managing partner, and Stat RX Pharmacy, Inc., as CEO and president. MEDEX Diagnostic and Treatment Center is an Article 28 licensed health care facility that provides a variety of specialized medical services. Stat RX Pharmacy is a full-service specialty and retail pharmacy and medical supply company. Oleg Aronov is responsible for development and operations within both business enterprises.

Email: pyramid1818@yahoo.com

A black belt in both Judo and Aikido, Aronov stays active and fit through martial arts and sports such as tennis and cycling. He enjoys international travel and has experienced some of Europe's finest Michelin-starred restaurants. A race car enthusiast, he also races high performance cars on tracks throughout the Northeastern United States in his free time.

Oleg Aronov graduated from the Moscow International University of Business and Information Technology with a master of business administration.
