Frontier Airlines recommends arriving at the airport at least 2 hours prior to domestic flights and 3 hours for international flights. Check-in counters are available at Terminal 5, and the airline also offers convenient self-service kiosks for faster processing. For those who prefer online check-in, you can use the Frontier app or website to check in and download your boarding pass in advance.

## SKILLS

### Dining and Amenities

While Terminal 5 isn't the largest terminal at LAX, it does offer several dining and shopping options. You'll find quick bites like sandwiches, snacks, and coffee shops to fuel up before your flight. If you're looking for a place to relax, there are also charging stations, free Wi-Fi, and seating areas throughout the terminal.

### Transportation and Parking

LAX has multiple parking options, with Economy Parking and Terminal Parking being the most popular. Shuttle services run frequently between parking structures and Terminal 5, making access relatively simple.

For public transport, ride-sharing services, and car rentals, designated pickup and drop-off zones are clearly marked around the terminal. Give yourself some extra time during peak travel hours, as LAX traffic can be heavy.
