

Kristen Radcliff

Experienced New Jersey Spinal Surgeon Dr. Kristen Radcliff

Address: Egg Harbor Township, NJ
Website: <http://www.kristenradcliff.com/>
Email: info@kristenradcliff.com

A board-certified surgeon serving at the Rothman Institute in Egg Harbor, New Jersey, Kristen Radcliff, MD, focuses exclusively on the field of spinal surgery. He is a fellow of the American Academy of Orthopaedic Surgeons and holds active membership in multiple professional organizations, including the North American Spine Society, the American Spinal Injury Association, the American Academy of Neurological Surgeons, and the Cervical Spine Research Society. Before joining the Rothman Institute in 2010, Dr. Kristen Radcliff practiced surgery through a fellowship in spinal cord injury and spine surgery at Thomas Jefferson University in Philadelphia.

In addition to treating patients directly, Kristen Radcliff, MD, is an experienced clinical researcher who has received a number of awards for his clinical papers. In addition to authoring or co-authoring nearly 90 peer-reviewed articles of his own, Dr. Radcliff has served multiple editorial roles with the respected medical publications Seminars in Spine Surgery and Clinical Orthopaedics and Related Research.
