Dedicated and patient-oriented Clinical Pharmacist with over 10 years of experience in hospital and community pharmacy environments. Proven track record in medication therapy management, patient counseling, and interdisciplinary care coordination. Committed to improving patient outcomes through meticulous pharmaceutical care and ongoing professional development.

EXPERIENCE

Columbus General Hospital, Columbus, OH

July 2018 - Present

Clinical Pharmacist

- Managed medication therapy for hospitalized patients, collaborating with healthcare teams to ensure optimal treatment plans.
- Provided comprehensive medication management to critically ill patients in the ICU, contributing to a 25% improvement in recovery rates.
- Initiated and managed anticoagulation therapy for postoperative patients, reducing complications by 30%.
- Spearheaded the Antibiotic Stewardship Program, resulting in a 20% decrease in unnecessary antibiotic usage.
- Lead quarterly staff training on new medication protocols, ensuring hospital-wide compliance with the latest standards.

Green Leaf Pharmacy, Dublin, OH

May 2013 - June 2018

Retail Pharmacist

- Accurately dispensed and counseled on over 200 prescriptions daily, earning a reputation for exceptional patient service.
- Conducted regular reviews of medication regimens for polypharmacy risks and drug interactions, enhancing patient safety.
- Assisted in the pharmacy's immunization program, leading to a 30% increase in vaccination rates.
- Managed pharmacy inventory efficiently, reducing waste by 25% through improved stock monitoring.
