PROFESSIONAL PROFILE

Economics graduate from the University of Virginia (December 2014) specializing in Public Economics. Eager to apply academic knowledge in real-world settings and contribute to innovative economic solutions.

EDUCATION

University of Virginia

April 2020 to December 2023

Bachelor of Science (CGPA: 3.96)

- Public Economics Major

Yorktown High School

2019 to 2020

High School (GPA: 9.27/10)

APPRENTICESHIP

International Center for Research on Women Washington, DC - United States

July 2022 to September 2022

Research Assistant

- Performed data analysis and a statistical evaluation of the ICRW's Gender, Economic Empowerment and Livelihoods portfolio.
- Analysed critical issues, understood program monitoring and impact evaluation, aided in technical assistance across a range of economic and gender issues under the supervision of an immediate mentor.
- Acquired insight into using advanced quantitative research methods.
- Helped identify business development opportunities and the scope for expansion of the Gender, Economic Empowerment and Livelihoods Portfolio.

School of Public Policy and Urban Affairs, Northeastern University

June 2021 to August 2021

University Representative for the Cross-Research Program

- Focused on understanding pressing socio-economic and environmental problems.
- Provided statistics-based measures for progressive economic development, effective governance, adaptation to the effects of climate change, and pressing issues of diversity and social inequality.

RESEARCH EXPERIENCE

- Paper Presentation, Association for Public Economic Theory Annual Conference, 2022
- Paper Presentation, 15th International Conference on Public Economics, 2023
- Journal Publication, The National Bureau of Economic Research, 2023

RELEVANT COURSES

- Statistics and Accounting Series
- Econometrics (worked with SPSS, SASS and OxMetrics)
- Labor Law and International Trade Policy
- Public and Urban Economics

EXTRA-CURRICULAR ACTIVITIES

- Editor-in-Chief, Economically Correct (University of Virginia's official economics newsletter) from 2021-2022.
- Convenor for "Economics, 2022", an annual forum for the interaction of the current UV students with the UV alumni established in this field.
- Tutored middle school and high school students in mathematics and English as a part of the "Giving Back to The Community" program started by UV in 2019.
