EXPERIENCE

U.S. Army, Fort Bragg, NC

JULY 2016 - PRESENT

Chief Warrant Officer, Intelligence Operations

- Led a team of 20 intelligence analysts in collecting, analyzing, and disseminating tactical intelligence.
- Designed and implemented enhanced surveillance strategies, improving mission success rates by 30%.
- Collaborated with other military units and government agencies for joint operations, enhancing overall operational effectiveness.
- Developed and conducted training programs for new intelligence tools and software, increasing team proficiency.

U.S. Army, Fort Hood, TX

MAY 2011 - JUNE 2016

Warrant Officer, Tactical Operations

- Successfully led and executed 30 tactical reconnaissance and surveillance operations, enhancing mission effectiveness and intelligence gathering.
- Instrumental in strategic mission planning and comprehensive briefing, significantly contributing to the successful execution of critical military operations.
- Managed and maintained surveillance equipment worth over \$2 million, ensuring 100% operational readiness for critical missions.
- Mentored and trained 40+ junior officers and enlisted personnel, resulting in a 15% increase in team efficiency and a 10% rise in personnel advancing to higher ranks.

PROJECTS

Operational Simulation Development

Led the creation of a real-time operational simulation, enhancing strategic training and preparedness.

Cybersecurity Initiative

Pioneered an internal cybersecurity program, improving data security protocols and awareness among personnel.
