

Lyana Rasip

Manager and Talent and Organization Consultant

Website:	https://www.xing.com/profile/Lyana_Rasip
Email:	LyanaRasip@aol.com

Based in Kuala Lumpur, Malaysia, Lyana Rasip is a manager and talent and organization consultant at Accenture Management Consulting, where she has been since 2008. Most recently, she has taken on the project management office lead position for a national service provider. Since starting this position in September 2013, Lyana Rasip has developed an implementation plan and managed a five-person team through the execution of change management software that affected more than 25,000 staff members. She has also assessed and managed risk to prepare mitigation actions as needed and has ensured constant communication throughout the project.

Throughout her career at Accenture Management Consulting, Ms. Rasip has held several titles, including communications lead, learning and development lead, and talent development lead. Previously she worked on the corporate communications team with Astro Sdn Bhd and served as a research analyst for the United Nations Children's Fund (UNICEF) Malaysia.

Ms. Rasip attended Taylor's College in Malaysia, the University of Sheffield in England, and the London School of Economics and Political Science. She holds an M.S. in social policy and planning and a B.A. in sociology.
