

# Dr Steven Victor

Experienced New York Dermatologist Dr. Steven Victor

Dr. Steven Victor is a New York City dermatologist and the founder of ReGen Medical, PC. He has overseen activities at ReGen Medical as chief executive officer since 2010. As a dermatologist and MD, he has focused on the field of regenerative cosmetic dermatology. Over the course of a career spanning nearly four decades, Dr. Steven Victor has played a driving role in the development of innovative anti-aging treatments and cellular therapy technologies. He has written multiple papers in the field and authored the book, Ageless Beauty.

Dr. Steven Victor earned a bachelor's degree in biology from New York University, graduating with honors. Upon completion of his undergraduate degree he began his medical studies at New York Medical College in Valhalla, New York, ultimately receiving his MD degree in three years. He has since gained board certification with the American Academy of Regenerative Medicine and achieved memberships with professional groups such as the American Anti Aging Academy, the Society of Cosmetic Chemists, and the Dermatology Foundation.
